

A photograph of a modern interior space. In the foreground, a planter box filled with white pebbles contains several green snake plants. The background shows a hallway with light-colored walls, a wooden floor, and a large window on the right side that looks out onto a bright blue sky and a body of water. The ceiling has several recessed lights.

## HealthWay Deluxe

PROFESSIONAL  
9-STAGE DFS AIR  
PURIFICATION SYSTEM

A graphic element consisting of a bright blue light source on the left, with several curved, glowing blue lines radiating outwards to the right, creating a sense of motion and energy.

The Deluxe is a portable, easy to maintain, efficient air purification unit. The Deluxe comes standard with a heavy-duty VOC filter that eliminates offensive gases and odors. The Deluxe utilizes our proprietary DFS technology to remove harmful mold, viruses, and bacteria from the air while catching and trapping larger particles like smoke and pollen with ease.

# HealthWay Deluxe

Professional 9-Stage DFS Air Purification System

 Disinfecting Filtration System (DFS) is our proprietary electronically enhanced filtration technology.

## Features

- Particle efficiency – 99.97% at 0.007 microns
- Ultra efficient EC motor with high-speed turbo setting
- 7-stage VOC absorption filter for removal of harmful chemicals and offensive odors
- No tools required for filter change
- Quickly and easily remove dust, pet dander, pollen, and many other asthma and allergy triggers
- Each unit individually tested and inspected
- Covers up to 1,200 sq/ft

## Energy Consumption

Blower Speed	Energy Usage (Watts)	Air Flow (cfm)	dBA
Low	12	90	9
Med	19	125	45
High	33	175	49
Turbo	73	220	57

## DIMENSIONS

Height – 27" (686 mm)

Width – 15" (381 mm)

Depth – 16" (406 mm)

## WEIGHT

36lbs (16.3kg)

UL 867 Certified
